Membership Renewal Notice.....

Thank you for your membership in Friends of the Western Lake Erie Waterkeeper (WLEW) /Maumee Bay Association. Your membership helps to promote greater public awareness of the Western Lake Erie Watershed including the 'Adopt A Mile' project which seeks to increase stewardship of the shoreline and riverbank. Other efforts include studies on the fish kills in the power plant intakes, factory farm impacts on the watershed, wetlands protection, NPDES permit, wastewater discharge etc. Your donation is necessary to continue these important projects. Below are the overall goals and other information. You are important to these initiatives. Please renew your membership.

Sincerely,

*Sandy Bihn
 Western Lake Erie Waterkeeper*

Waterkeeper Goals:

- To preserve and to improve the ecosystem in the Western Basin of Lake Erie, Maumee Bay and River
- To document the history of the Western Basin of Lake Erie, Maumee Bay & River
- To educate and to create a support group for the Western Basin of Lake Erie and Maumee
- To protect aquatic and water related species and habitat
- To provide short and long term planning for dredge disposal facilities.
- To assist with sediment non point source issues impacting the watershed.

Meetings are the second Thursday of each month at 7:00p.m. at the University of Toledo Lake Erie Center, 6200 Bayshore Rd., Oregon, Ohio. All meetings are open. Please visit the westernlakeerie.org for current projects and information.

To renew, fill in the following (print or type) and mail it with your membership fee (and/ or donation) payable to Friends of WLEW/Maumee Bay Association(501 c3 tax deductible organization)
